Your go-to choice for hydration should be good old H2O. But foods like watermelon (of course), cucumbers, peppers, celery, cauliflower, tomatoes, and strawberries are all more than 90% water and can help you hydrate AND feel more full, too.

THIS SPACE IS INTENTIONALLY LEFT BLANK

You must pre-order and pre-pay for the full month. To insure your child receives a lunch, an order form <u>must</u> be filled out for your child <u>every month.</u>
